Cerebral Palsy changes lives. And so do your donations.

Clean out your closet and help us raise funds!

The Cerebral Palsy Association in Alberta (CPAA) is a registered non-profit organization that supports people affected by cerebral palsy and other disabilities. The CPAA is committed to social change and progress. We are committed to an environment of dignity, independence and full citizenship. It is our mission to make a difference by enriching and supporting the lives of children and adults with cerebral palsy and other disabilities.

The CPAA relies on community support to help raise funds for our programs and services that benefit the individuals we support. We host several fundraising events throughout the year and also collect donations through gently-used clothing, small household items and beverage containers which generates the funds needed to sustain our vital programs and services.

We are collecting:

-  Clothing & Accessories
-  Toys & Books
-  Recyclable Beverage Containers
-  Linens
-  Shoes
-  Small Household Items
