Re: Proposed antenna installation and associated equipment located at:
356 CRANSTON RD SE

Thank you for your submission regarding a telecommunication antenna structure to be located at the above noted address.

The City of Calgary – Planning & Development business unit concurs with the proposed installation. Concurrence has been given based on the information provided on the plans received at this office May 7, 2025. A set of drawings stamped *Concurrence Decision Rendered on This Plan* are enclosed with this letter for reference. The plans indicate the following requirements:

- **The tower is not to exceed 30 metres in height (+2m lightning rod).**
- **The colour of the tower to be painted white or grey.**
- **The tower is to be fully shrouded.**

Concurrence will not be valid if construction has not commenced within three years from the date of this letter.

Should any alterations or modifications to the structure be required, please notify the City of Calgary in writing, with a copy of the relevant amended drawings, prior to commencing any physical changes to the installation.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Lynn McKeown".

Lynn McKeown
Manager, Development & Subdivision Services
Planning & Development Services, The City of Calgary
